

Please help us to see our dreams clearer so we can achieve them and let our hopes and wishes come true.

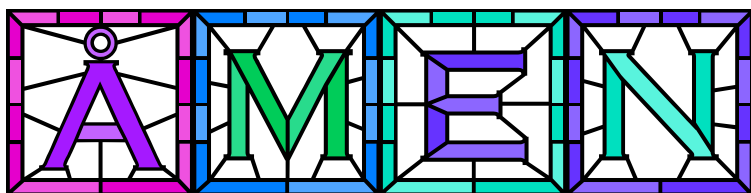

Help us to achieve our hopes and dreams and for us to help others to achieve theirs too.

Please help us to care.

For we know there are others out there who need your help to complete their HOPES and DREAMS - please support and guide them.

We are blessed with the ability to hope. Our hope at Offwell is that we all join together for peace and serve God as we help those less fortunate than us.

God Bless,

By Indigo D'Silva-Williams: Year 4
