We will try to:

The Branscombe Waves

Dear Parents,

It was really lovely to see all the children in the federation having their lunch outside yesterday in the sunshine. Mr Kibble is really impressed with how the children are progressing with their gymnastic skills and he would really like as many parents as possible to come and watch the final session on April 3rd. Each group will be practising and then performing a routine for the other groups to watch. Further details will follow, but if you can, please keep this date free – more details about timings etc will be in next week's newsletter.

Class 1 had a super experience yesterday afternoon when 'Zoolab' came to visit. Some of the animals they saw were tarantula, African snail, corn snake and rats.

Class 2 had a great time visiting the Broadhembury 'Space Ship' on Wednesday. We are all really looking forward to reading the creative writing and reports that the children write about the space ship.

Thank you for your continued support

God bless and have a lovely weekend

Best wishes from Katie Gray and the staff at Branscombe School
