**Cathedral Celebration**

Autumn, Ella, George and Natasha did a brilliant job leading the prayers at the Cathedral Service last Saturday. They carried out their readings with confidence and enthusiasm and have been highly praised for the clarity and accuracy with which they spoke by a range of people, including Bishop Bob. May I take this opportunity to thank them again for representing our school at this important event.

**Swimming**

Please note that due to a road closure there will not be a swimming session this week. Instead, an additional session is planned for Thursday 4<sup>th</sup> March.

Dear Parent / Carer,

On Thursday 25<sup>th</sup> February, 2010, St. Nicholas C of E Junior School will be hosting a Networking Event to showcase music for young people which takes place in and around the Sidmouth area. This is a spin-off of a national project, known as Mix4Six, which last year took place in six areas of Devon as a collaboration between the Devon Music Service, WREN and Devon Education Services.

This informal event is not only intended to feature performances from school and youth groups but also to give a chance for those with an interest in developing music for young people to meet and develop ideas. Parents and carers are particularly welcome along with any community musicians who might wish to be involved and there will be a suitable break for tea, squash and cakes where discussion can take place.

Please put this date in your diaries and complete the slip below to confirm attendance.

We look forward to seeing you on what should be an enjoyable celebration of music in Sidmouth and the start of some interesting partnerships.

Many thanks,

Paul Painter  
Music Development Leader  
LDP Music Service
