

The image shows a template for a 'Memory Box'. It features a dark brown border enclosing a background collage of various papers, including old letters, newspaper clippings, and a map. Overlaid on this background are six large, white, rectangular boxes arranged in two rows of three. Each box is numbered in its top-left corner: 1, 2, 3 in the top row, and 4, 5, 6 in the bottom row. The numbers are white and set against a small black circular background.
