Developing links with a school in Bangkok

On Monday we were visited by one of our new school governors, Sandi Clarke. Sandi has family who live in Bangkok and offered to come into Branscombe Primary to talk to the children about what it is like to go to school there. Sandi showed the children photos of the city and the Primary School and explained to the pupils what life is like in this contrasting locality. We are planning to use our new video conferencing equipment in the Summer term to set up a live link with the Primary School in Bangkok and allow the children from both schools to engage with one another.

Ceremonial reopening of the Village Hall after the refurbishment.

The school has been invited to take part in the Village Hall re-opening celebrations on Saturday 1st May. We believe this will be a very good opportunity for the school to support the Village and we are hoping to be able to provide a display of Maypole dancing. Please could you fill in the attached slip to indicate if you are willing for your child to take part in the event. There will also be a trade exhibition in the main hall and a range of background entertainment and refreshments prior to the cutting of the ribbon, with wine and canapés for all. Completed slips should be returned to the school office by Friday 19th March so we can get some idea of the number of pupils who are likely to attend. Please feel free to contact us if you have any concerns, ideas or suggestions.

Well done

Well done to Thomas, Natasha and Xander who were Wednesday Weather Kids on Heart Radio.

Have a lovely weekend.

Best wishes

From the staff at Branscombe Primary
